

## PLEASE READ PRIOR TO YOUR HORSE EXPERIENCE AT PHR

A few things to know ahead of your horse time at Putting Horse Ranch Inc.:

Only registered guests may interact with the horses and all areas behind fences out of bounds unless you are with instructor for a class. No pets allowed on site.

We appreciate that you love pictures of the horses, but we have a rule of NO CELL PHONES on your ride or taking videos or photos yourself when at the horse staging area. We are happy to take FREE shared photos of you and your group, riding, and will share them with you if you also agree to share with us. Ask for the photos and we will do our best to send them to you via e-mail promptly following your ride. You must send us a note when you receive them to let us know you received, like the ones you see here - happy people and happy horses! We appreciate it too when you give us thumbs up on social media! 🍷

Once you arrive and your waivers are completed, we will get you set up with helmets (all children UNDER 17 must wear a helmet when around the horses) and we provide the use of one for no extra charge. Legal guardians to adjust the helmets themselves so that they are snug. It helps if we know the ages of the riders and size of each rider prior to your arrival, so please mention that when you call us to book your ride time. You MUST be able to swing your leg over the saddle at the mounting station while your foot is in stirrup to ride. No open toed footwear allowed on ride; you should wear boots with a low heel. We might have a pair to lend you on hand so please feel free to ask us when you arrive! When you are seated on the horse we may need to set the stirrup lengths while you are on horse.

Remember to Leave Your Pets At Home and absolutely no outside food or drink allowed; Food/beverage service on site. No alcohol and No Smoking at the horse area.
